World leader in the design and manufacture of sliding and folding door hardware

For over 90 years we have been creating the highest quality products which can be seen in a wide variety of residential, commercial and industrial applications across the world.

Our expertly designed hardware systems are perfect for saving space, increasing natural light, maximising door opening widths and encouraging flexible living.

Applications include wardrobe doors, cupboard doors, pocket doors, exterior folding systems, room dividers and bespoke systems. Wherever a sliding or folding door can work, we offer a solution.
